About

JAG Learn Mentoring Program's goal is to provide education, information, tools, and resources to increase the quality and success of mentoring relationships.

Experienced professionals provide strategic guidance, advice, and recommendations to young professionals and college students.

Whether you're beginning your career journey or looking to strengthen your leadership skills, or strategically advance up the ladder, we are here for you.

Mentees receive real-world talks and tips needed to lay the groundwork for achieving tangible results towards a rewarding professional future.

The Program is Virtual, Fast-Paced, and Agile.

- Mentee interviews and chooses their Mentor
- Mentee commits to virtual mentoring
- Mentee leverages strategic knowledgebase

Is This for You?

- Are you motivated and ready to act?
- Are you eager to undertake advice?
- Are you ready to expand your network?

Then JAG Learn Mentoring is for you.

THE PROGRAM

- Mentoring via real-world talks for tangible, real-life results for professional growth
- Strengthens competencies, provide strategic guidance, and evaluate growth
- Engage virtually for flexibility to conduct more effective, robust discussions
- Promote networking and collaboration between people at the top of their game

THE MENTOR

- Executives, business owners, industry experts, and entrepreneurs
- Well-rounded, unique knowledge, diverse perspectives, and relevant expertise
- Skilled in listening, sharing, inspiring, influencing, advising, and learning
- Resourceful and have access to a vast professional network

THE MENTEE
